

Helping Hands Co-op Course Catalog--Spring 2009

<i>Period</i>	<i>Grade</i>	<i>Class</i>	<i>Instructor</i>	<i>Cost</i>	<i>Course Description</i>	<i>Teacher Info</i>
1	Nursery	Nursery Butterflies (2s)	Mindy Ratcliff	\$5.00	Children must be 2 by September '08 to be in this three hour class. We will have a fun time doing projects, reading stories, and playing. During this hour we will have more structure to our play with hands-on activities. Please make sure you label everything in your child's bag and include any special needs your toddler might have. The class fee is \$5.00 and a container of wipes.	Mindy is a homeschooling mom of six. She is our nursery chairman. She has a sweet spirit and brings a calm to the nursery area!
1	Nursery	Nursery Caterpillars (1's)	Mindy Ratcliff	\$1.00	This three hour class is for all babies that are 1 by September '08. We have a separate room for sleeping if your little one needs a nap during this time. Please label everything you send to Co-op and give detailed instructions for your child. We ask that you bring a container of wipes to be left at Co-op. These are used for clean-up after diaper changes. You will receive more detailed instructions from our Nursery Chairman, Mindy Ratcliff, before the semester starts. We will play, sing, and read stories throughout our three hours together.	Mindy is a homeschooling mom of six. She is our nursery chairman. She has a sweet spirit and brings a calm to the nursery area!
1	Nursery	Nursery Caterpillars U1	Mindy Ratcliff	\$0.00	This three hour class is for all babies that are not 1 by September '08. We have a separate room for sleeping if your little one needs a nap during this time. Please label everything you send to Co-op and give detailed instructions for your child. We ask that you bring a container of wipes to be left at Co-op. These are used for clean-up after diaper changes. You will receive more detailed instructions from our Nursery Chairman, Mindy Ratcliff, before the semester starts. We will play, sing, and read stories through out our three hours together.	Mindy is a homeschooling mom of six. She is our nursery chairman. She has a sweet spirit and brings a calm to the nursery area!
1	Preschool	Preschool 3's	Wendy Kilburn	\$5.00	Children will be 3 by September '08 in this three hour class. We will read a story and do a project every week. We will do music, Spanish and outdoor play. The cost of the class is \$10 which covers all three hours. The cost pays for copies and project supplies.	Wendy is the mother of three wonderful children ages 8, 4, and 2. She and her husband have been homeschooling for 3 years. She loves to watch little ones light up as they learn, and she is looking forward to working with your little one!
1	Preschool	Preschool 4's	Cindy Buckner	\$10.00	Children must be 4 by September 2008 to be in this three hour class. We will read a story, do an activity and be following a fun preschool curriculum. Preschoolers will experience music, playground time and science activities. Students will need to bring a container of wipes per family.	Cindy is a beloved, long-time Co-op teacher! She brings many years of experience with little ones to the preschool, and most days you will find her on the floor with one or two in her lap! She is the mother of 3 children and has homeschooling for many years.
1	K-2nd	Advanced Phonics Fun!	Desiree Twait	\$5.00	We will be learning beginning phonics sounds and rules in a fun way with games and songs. Children should be able to recognize letters and know the consonant sounds prior to taking this course.	Desiree is a homeschooling mom of two small children--one of whom she has taught to read, and the other will soon learn! Desiree enjoys making learning fun, and is loved by the students in her classes!
1	K-2nd	Beginning Spanish	Dawn Kropp	\$6.00	We will learn numbers, the alphabet, simple phrases, and body parts through crafts, games and songs.	Dawn and her husband Paul have three daughters and have been homeschooling for 3 years. Before homeschooling she taught high school Spanish for two years, using that minor in Spanish!

<i>Period</i>	<i>Grade</i>	<i>Class</i>	<i>Instructor</i>	<i>Cost</i>	<i>Course Description</i>	<i>Teacher Info</i>
1	K-2nd	P.E. CLOSED	Jill McGowan	\$5.00	This class of games and exercise activities will emphasize building coordination, encouraging teamwork and having fun!	Jill is a part-time homeschooling mom with her husband Chris and a part-time physician at Scott and White. She likes exercise, games and building physical ability.
1	K-2nd	Smart Art	Sheri Kasberg	\$7.00	Following the "Art With A Purpose" curriculum, we will be learning the basics of art including coloring, cutting, pasting, and blending art styles.	Sheri has three children, and has been homeschooling for seven years. Before starting her family, she was an elementary school teacher. She enjoys teaching and being with family. She is currently serving on the Co-op board as the Secretary/Treasurer.
1	K-2nd	Super Snacks	Elizabeth Williamson	\$10.00	We will be teaching the children to enjoy the kitchen and have fun making snacks that don't require the danger of the stove or oven.	Elizabeth has been homeschooling for 11 years, 5 of which while serving as a missionary in Mexico. She is fluent in Spanish (no wonder!) and enjoys cooking for family and friends.
1	3rd-5th	"For Credit" Zoology III- Land Animals CLOSED	Suzanne Steeves	\$10.00	We will go on a safari through jungles, deserts, forests, farms, and even your own backyard to explore God's creation of land animals. We are using the third text in the Apologia "Exploring Creation" series. Students will be required to do outside homework (approx. 3-4 hours per week); tests and projects in class. This is the second semester of a two semester class.	Suzanne is the mother of four children, and has enjoyed homeschooling for eight years. Her family loves Co-op, and Suzanne loves to teach history and science. Suzanne is a detailed and dedicated teacher to her students. She currently serves the Co-op as the Middle School Director.
1	3rd-5th	Exploring the World	Tina Bissell	\$5.00	We will be learning the continents and the countries that are in each continent using music, maps, puzzles, and games. A helpful class taught in a fun and interesting way!	Tina has been homeschooling for 13 years and has been a part of the Helping Hands Co-op for about 4 years. She has taught many popular classes in those years, and we are so blessed to have her!
1	3rd-5th	Food For Fun	Deanna Lane	\$15.00	Preparing food and eating it! What could be better? Join us as we learn our way around the kitchen!	Deanna has homeschooled her 4 children for 11 years. She is active in church and community work. Deanna has taught several very popular classes at Co-op, using her varied interests. She is an encouraging and loving teacher!
1	3rd-5th	Intro to Drawing	Carrie Boothby	\$3.00	In this class, we will explore basic steps to drawing, learning basic terms. We will do creative projects with different drawing media.	Carrie taught as an elementary teacher for 8 years. She loves working with children and teaching them to have fun while they learn. After having her own children, she decided to stay home and teach! She has been homeschooling for 4 years, and is serving on the Co-op board as Elementary Director.
1	3rd-5th	Music Fundamentals	Roz Fischer	\$5.00	Students will experience music fundamentals like ear training, rhythmic and melodic notation, and sight singing through studying American folk songs. A course in music by a professional music teacher!	Roz is the wife of Jim and the mother of 8 blessings. She has a BA in Music and is certified to teach all levels. Roz has 6 years of teaching experience in the public schools, and many more years experience teaching her own children at home. Roz is a jewel and a great asset to our Co-op!

<i>Period</i>	<i>Grade</i>	<i>Class</i>	<i>Instructor</i>	<i>Cost</i>	<i>Course Description</i>	<i>Teacher Info</i>
1	3rd-5th	Stewards of the Earth	Kim Drew	\$8.00	In this science class, we will learn how to care for our ecosystems; and how we can follow the Lord's direction to Adam to care for the earth.	Kim has a degree in business and is working towards a Masters in Biology. Her family has been homeschooling for 6 years. Her husband is working on a graduate degree in Religious Studies.
1	3rd-12th	Tae Kwon Do-Beg., Int., Adv.	Stacy Rugh	\$5.00	New students will learn the basics of Tae Kwon Do and self defense, while current students will continue their study. There will be a belt test after 9 weeks of Co-op classes, and those ready to test will have the opportunity. This class is for all students, from beginners through advanced.	Stacy has been homeschooling her 3 children for 9 years. She is a 2nd Degree Black Belt in Tae Kwon Do and 4th Level Instructor certified by Black Belts of the Faith International.
1	6th-12th	"For Credit" Blood and Guts	Debbie Fasolino	\$5.00	This is a hands-on approach to learning anatomy. We will explore the integumentary, skeletal, muscular, circulatory, nervous, digestive, and urinary systems by making models, doing dissections, and performing experiments. Not a class for the squeamish! This is a "For Credit" class, and therefore, there will be homework!	Debbie is the mother of 5 children, and has been homeschooling for 13 years. She has a degree in nursing and enjoys science and sharing her knowledge with young people!
1	6th-12th	Beginner's Logic	Robin Roach	\$5.00	Introduction to logic using stories, puzzles and other tools to aid in learning systematic logic skills.	Robin is the mother of three young ones. She holds a degree in theology and is a former youth pastor. Robin has a wonderful sense of humor, and likes to use it to make learning fun and interesting!
1	6th-12th	Bon Voyage Travel	Cathy Dyck	\$5.00	We will have fun planning vacations around the world. In this way, we will learn geography, map skills, computer skills, budgeting and planning. Work at home on computers is needed.	Cathy has been a flight attendant for Delta Airlines for 18 years, and enjoys planning for and going on vacations. She and her husband have 3 boys and have been homeschooling for 7 years.
1	6th-12th	Introduction to Chemistry CLOSED	Rebecca Stryker	\$8.00	In this introduction to chemistry we will study the periodic table, elements, atoms, states of matter and types of energy. Be prepared to learn a lot!	Rebecca taught high school science for 9 years: Biology, health, general science, basic chemistry and physics. We are so blessed to have her and her two sons in our Co-op!
1	6th-12th	Photography CLOSED	Suzanne McDaniel	\$5.00	In this class, we will learn the basic rules of photography. Each student will need a digital camera.	Suzanne is the photographer behind Only A Glimmer Photography. She has had a love of photography for years and has enjoyed growing her talents as she photographs the world around her.
2	Nursery	Nursery Butterflies (2s)	Mindy Ratcliff	\$0.00	See first hour.	See first hour.
2	Nursery	Nursery Caterpillars (U1)	Mindy Ratcliff	\$0.00	See first hour.	See first hour.
2	Nursery	Nursery Caterpillars 1	Mindy Ratcliff	\$0.00	See first hour.	See first hour.
2	Preschool	Preschool 3's	Wendy Kilburn	\$0.00	Each week we will have music class. We will also have a yummy snack and drink during this hour.	Please see 1st hour.

<i>Period</i>	<i>Grade</i>	<i>Class</i>	<i>Instructor</i>	<i>Cost</i>	<i>Course Description</i>	<i>Teacher Info</i>
2	Preschool	Preschool 4's	Cindy Buckner	\$0.00	During second hour preschoolers will enjoy music. The children will also be provided with a snack and a drink during this hour. Preschooler's class cost is \$10 which covers all three hours.	Please see 1st hour.
2	K-2nd	Fun Cooking	Suzanne McDaniel	\$15.00	In this fun class, your student will learn to prepare recipes that require very little help from an adult. A delicious assortment of foods, some made from mixes, will be enjoyed!	Suzanne is the photographer behind Only A Glimmer Photography. She has had a love of photography for years and has enjoyed growing her talents as she photographs the world around her.
2	K-2nd	Introduction to Sewing CLOSED	Sheryl McMullen	\$10.00	Your student will learn the basics of hand sewing and make some cute and fun projects!	Sheryl has been homeschooling for 10 years. She loves sewing, stamping, scrapbooking and homemaking. Sheryl's skills have provided our Co-op with many popular classes over the years!
2	K-2nd	J.A.M. (Jesus And Me!)	Margaret Plsek	\$3.00	Sing, shout, and move about! Your child will have a blast worshipping the Lord through fun music and movement. We'll learn praise songs, classic hymns of the faith, Bible songs, and various scripture verses set to music.	Margaret is a former elementary classroom teacher, and has directed children's choirs for over 15 years. Her desire is to help boys and girls learn the importance and the joy of singing praises to our wonderful God! Margaret is in her first year of homeschooling her son, Ben.
2	K-2nd	K'Nex Science CLOSED	Ann Santana	\$2.00	Let's make simple machines with K'Nex. Every week we will create a new "simple machine" with K'Nex. A fun way to explore one side of science!	Ann is the mom of two fun boys! She has lots of experience building with K'Nex and Legos, and is looking forward to teaching this class!
2	K-2nd	Math in the Garden	Tina Bissell	\$7.00	Let's welcome the spring in the garden while learning math skills!	Tina has been homeschooling for 13 years and has been a part of the Helping Hands Co-op for about 4 years. She loves gardening, finding it a great way to express herself and communicate with the Lord, the Creator.
2	K-2nd	Wild and Wacky Weather	Cathy Gay	\$8.00	Weather is one of the ways to see our Father's creativity! We will learn about tornadoes, clouds, climates, the water cycle, etc.	Cathy is a former elementary teacher (who actually got a paycheck for her efforts!) She has been involved in Co-op for 3 years, and she and her three daughters enjoy it very much!
2	3rd-5th	Beginning Spanish	Dawn Kropp	\$6.00	We will learn numbers, the alphabet, simple phrases, and body parts through crafts, games and songs.	Dawn and her husband Paul have three daughters and have been homeschooling for 3 years. Before homeschooling she taught high school Spanish for two years, using that minor in Spanish!
2	3rd-5th	Cupcakes, Cookies, and Cakes...Oh My! CLOSED	Esther Heflin	\$15.00	In this class we will learn to decorate cupcakes, cookies, and cakes in fun and beautiful ways! Sweet! Class fee will cover all supplies for the class.	Esther enjoys staying home with her children and taking care of her home. She loves to read books, cook, and decorate cakes.
2	3rd-5th	Introduction to Chemistry CLOSED	Rebecca Stryker	\$8.00	In this introduction to chemistry we will study the periodic table, elements, atoms, states of matter and types of energy.	Rebecca taught high school science for 9 years: Biology, health, general science, basic chemistry and physics. We are so blessed to have her and her two sons in our Co-op!

<i>Period</i>	<i>Grade</i>	<i>Class</i>	<i>Instructor</i>	<i>Cost</i>	<i>Course Description</i>	<i>Teacher Info</i>
2	3rd-5th	P.E. CLOSED	Suzanne Steeves	\$0.00	Join the fun! We'll be participating in a variety of physical activities to stay active and healthy!	Suzanne is the mother of four children, and has enjoyed homeschooling for eight years. Her family loves Co-op, and Suzanne loves to teach history and science. Suzanne is a detailed and dedicated teacher to her students. She currently serves the Co-op as the Middle School Director.
2	3rd-5th	Science Activity Journal	Cathy Dyck	\$10.00	Students in this class will learn through easy experiments and write about weather, the human body and space.	Cathy has taught many classes at our Co-op over the years. Her encouraging and positive teaching style makes her a popular Co-op teacher! Cathy's family has three boys and are in their 8th year of homeschooling.
2	3rd-6th	"For Credit" Latina Christiana II	Carol Brown	\$10.00	This is a second year elementary school Latin course. Students will have daily homework and will do memory drill, games and tests in class. They must purchase and bring "Latina Christiana II" by Memoria Press. This is a 12 week class, beginning February 2, 2009, and is the second semester of a two semester class.	Carol has been homeschooling for what seems like forever! She has 5 children; 2 grown, 3 still at home. Her favorite part of homeschooling is making her children's eyes sparkle with excitement. History, literature and music are the favorite things at her house!
2	6th-12th	"For Credit" Out of the Silent Planet	Courtney Robinson	\$10.00	We will be studying the science fiction novel "Out of the Silent Planet" by C.S. Lewis, using the Progeny Press study guide. A "For Credit" class is for those who wish an academically challenging class that can be claimed as a credit on transcripts. Students should be prepared for homework and tests! This is a twelve week class, and therefore will begin on February 2, 2009.	Courtney and her husband have three sons, and are in their second year of homeschooling this year. She has a degree in Psychology and English and enjoys teaching what she loves!
2	6th-12th	"For Credit" Saxon Algebra 1/2	Shelley Dennis	\$5.00	Saxon Algebra 1/2 will cover new concepts for each week and test over the previous weeks' lessons. Students will need their personal Saxon Algebra 1/2 text, 3rd Edition. Purchasing the D.I.V.E. companion CD would be helpful, but not absolutely necessary. This is the second semester of a two semester class.	Shelley is a mother of three daughters, and has been homeschooling for nine years. She has been involved in Co-op for many years by teaching and is currently serving on the Co-op board as the High School Director.
2	6th-12th	Carpenter's Sons CLOSED	Anji Weinberger	\$15.00	Students in this class will build several wood projects during the semester. We will learn basic woodworking skills while making useful and fun items!	Anji is a homeschool mother of 6 children. She has been homeschooling for 13 years. She looks forward to creating woodworking projects with some enthusiastic young people.
2	6th-12th	Cross Country Running	Roxanne Myers	\$0.00	We will do cross country running, starting out the first 3 weeks running 1 mile and then working up to 2 miles. We will also learn how to calculate our resting heart rate and target heart rate. This is an outdoor class, except for bad weather days. Students will need to bring running shoes. We hope to create a cross country team to compete with other schools next fall.	Roxanne has been homeschooling for 7 years. She and her husband Craymon have three children Taylor, Craymon, and Brooke. Roxanne loves the outdoors and running, both alone and with friends.
2	6th-12th	President's Challenge	Cindy TePoel	\$10.00	Students will participate in the President's Council on Fitness Challenge. Improving physical fitness one step at a time!	Cindy has been homeschooling her four children for 11 years, and during that time she has learned how to make learning fun! Cindy has been a member of the Co-op off and on for many years, and her students love her kind and encouraging spirit!

<i>Period</i>	<i>Grade</i>	<i>Class</i>	<i>Instructor</i>	<i>Cost</i>	<i>Course Description</i>	<i>Teacher Info</i>
2	6th-12th	Stampin' Fun	Robin Tipton	\$10.00	We will stamp ten different projects in this class as we learn different stamping techniques and share that knowledge by blessing others.	Robin has been married to Captain Charlie Tipton for 13 years and has a 10 year old daughter named Karys, a German Shepherd named Max, and a Tabby cat names Ashes. She loves stamping, reading, cooking/baking, and has been a Stampin Up! Demonstrator for 5 years.
3	Nursery	Nursery Butterflies (2s)	Mindy Ratcliff	\$0.00	During 3rd hour we will slow down a bit and play quietly or take a rest. We will read stories and get ready to go home. \$5 fee and a container of wipes covers all three hours.	See first hour.
3	Nursery	Nursery Caterpillars (U1)	Mindy Ratcliff	\$0.00	See first hour.	See first hour.
3	Nursery	Nursery Caterpillars 1	Mindy Ratcliff	\$0.00	See first hour.	See first hour.
3	Preschool	Preschool 3's	Wendy Kilburn	\$0.00	We will enjoy playtime outside during this hour. Please send a jacket and appropriate shoes with your child. We will go outside every week with the exception of cold days or rain!! Preschooler's class cost is \$10 which covers all three hours.	Please see 1st hour.
3	Preschool	Preschool 4's	Cindy Buckner	\$0.00	We will enjoy playtime outside during this hour. Please send a jacket and appropriate shoes with your child. We will go outside every week with the exception of cold days or rain!! Preschooler's class cost is \$10 which covers all three hours.	See Preschool 4's 1st hour
3	K-2nd	Bible Crafts and Memory Verses	Esther Heflin	\$6.00	Each week we will read a Bible story and have a memory verse and craft that corresponds with the Bible story. We'll have fun and learn about God's Word together!	Esther enjoys staying home with her children and taking care of her home. She loves to read books, cook, and decorate cakes.
3	K-2nd	Caldecott Literature Pockets	Gwen Whatley	\$5.00	Students will complete art projects as they learn the history of the Caldecott Medal, awarded each year to the best illustrated children's book. One award-winning book will be read each week.	Gwen is the mother of two children. She and her family have served as missionaries in Russia and the Middle East. Gwen's students find her to be an encouraging and entertaining teacher!
3	K-2nd	Fun With Science CLOSED	Jill Ross	\$7.00	Students will learn about science by performing various hands on experiments.	Jill is in her first year of homeschooling her two daughters and loving it! She is excited about teaching this fun and interesting class!
3	K-2nd	Pet World CLOSED	D.J. Ortman	\$3.00	One of our most popular classes is making a come back! We will learn about what makes a good pet, and what makes a not-so-good pet! Mrs. Ortman will bring a new animal every week and discuss many of its characteristics. A "real life" lesson in animals!	D.J. is a Wildlife Rehabilitationist when she is not homeschooling her two young children and caring for her infant! She love animals, and has a mini-zoo at her ranch in Moody!
3	K-2nd	Where Am I? U.S Monuments	Carrie Boothby	\$7.00	In this class, students will create mini-books while learning facts about a famous historical place. Mount Rushmore, Niagara Falls, and the Statue of Liberty are a few of our destinations. This class does require skilled cutting, coloring, and organizing to complete the projects.	Carrie taught as an elementary teacher for 8 years. She loves working with children and teaching them to have fun while they learn. After having her own children, she decided to stay home and teach! She has been homeschooling for 4 years, and is serving on the Co-op board as Elementary Director.

<i>Period</i>	<i>Grade</i>	<i>Class</i>	<i>Instructor</i>	<i>Cost</i>	<i>Course Description</i>	<i>Teacher Info</i>
3	3rd-5th	"For Credit" Prima Latina	Susie Hamm	\$5.00	A gentle introductory Latin course, teaching nouns, verbs, Latin sayings, songs, prayers, and chants. Students will need to purchase Prima Latina Student Workbook. We will make flashcards in class. This is a 12 week class, beginning February 2, 2009, and is the second semester of a two semester class.	Susie has been homeschooling her 3 children for 8 years. She has a Master's Degree in Public Health Nursing and is a Pediatric Nurse Practitioner. She loves learning Latin and Spanish, and feels Latin is one way to ensure high quality academics (and higher SAT scores!)
3	3rd-5th	K'Nex Science CLOSED	Ann Santana	\$2.00	We will explore elementary physics by building simple machines (levers, ramps, pulleys, gears, etc.) with K'Nex. A fun, hands-on class!	Ann is the mom of two fun boys! She has lots of experience building with K'Nex and Legos, and is looking forward to teaching this class!
3	3rd-5th	Molly, An American Girl	Shelley Dennis	\$5.00	Come explore the American Girl Series through this unit study. Class time will be used for literature activities, history activities and art projects relating to the American Girl, Molly. Each student will need their personal copy of the books, and will be reading the books outside of class on their own.	Shelley is a mother of three daughters, and has been homeschooling for ten years. She has been involved in Co-op for many years by teaching, and is a former member of the Board. Shelley is an encouraging and fun teacher!
3	3rd-5th	O Canada	Cathy Dyck	\$7.00	Students will learn fun facts about their northern neighbor. We will learn history and some basic map skills.	Cathy has taught many popular classes at our Co-op over the years. Cathy's family has three boys and are in their 8th year of homeschooling. They enjoy their horses and travel.
3	3rd-5th	Sign Language	Anji Weinberger	\$3.00	Students in this class will learn the American Sign Language manual alphabet and other helpful signs, numbers, animals, months, days, etc.	Anji is a homeschooling mother of 6. She has been homeschooling for 13 years. She is looking forward to teaching this class in a fun and energetic way.
3	3rd-5th	Threads of Love	Sheri Kasberg	\$0.00	Threads of Love is a national organization that sews outfits for premature babies, who are spending time in neonatal ICU. This class will be selecting material, cutting patterns, and assembling different size baby outfits to present to the local Threads of Love chapter.	Sheri has three children, and has been homeschooling for seven years. Before starting her family, she was an elementary school teacher. She enjoys teaching and being with family. She is currently serving on the Co-op board as the Secretary/Treasurer.
3	3rd-12th	Tae Kwon Do-Beg., Int., Adv. CLOSED	Stacy Rugh	\$5.00	New students will learn the basics of Tae Kwon Do and self defense, while current students will continue their study. There will be a belt test after 9 weeks of Co-op classes, and those ready to test will have the opportunity. This class is for all students, from beginners through advanced.	Stacy has been homeschooling her 3 children for 9 years. She is a 2nd Degree Black Belt in Tae Kwon Do and 4th Level Instructor certified by Black Belts of the Faith International. She has taught this very popular class for many years at our Co-op and is loved by her students!
3	6th-12th	"For Credit" Apologia General Science	Nathan Wood, MD	\$10.00	In this second semester of a two semester class, we will be studying the general principals of science from a creationist viewpoint. The text is Apologia's Exploring Creation Through General Science. Each student must have a book and the study guide. Weekly homework will be required: reading assignments and questions. This is a 12 week course, beginning February 2, 2009.	Nathan studied biology in college to prepare for his medical degree. He loves to share about science and is passionate about creation science. Nathan's family has been attending Co-op for three years and he is excited to be able to contribute this year!
3	6th-12th	"For Credit" Health	Rebecca Stryker	\$8.00	Learn about nutrition, exercise, smoking, diseases relating to an unhealthful lifestyle, puberty and other health issues.	Rebecca taught high school science for 9 years: Biology, health, general science, basic chemistry and physics. We are so blessed to have her and her two sons in our Co-op!

<i>Period</i>	<i>Grade</i>	<i>Class</i>	<i>Instructor</i>	<i>Cost</i>	<i>Course Description</i>	<i>Teacher Info</i>
3	6th-12th	Cooking On Your Own	Deanna Lane	\$15.00	In this class, we will learn how to prepare main dishes, desserts, and snacks that are simple and quick to prepare. A perfect place for young people to learn to cook "on their own"!	Deanna has homeschooled her 4 children for 11 years. She is active in church and community work. Deanna has taught several very popular classes at Co-op, using her varied interests. She is an encouraging and loving teacher!
3	6th-12th	Gettysburg! CLOSED	Cindy TePoel	\$6.00	Students will study Abraham Lincoln--his life, his speeches, and his contribution to the Union during the Civil War.	Cindy has been homeschooling her four children for 11 years, and during that time she has learned how to make learning fun! Cindy has been a member of the Co-op off and on for many years, and her students love her kind and encouraging spirit!
3	6th-12th	Volleyball	Sue Cleaver	\$3.00	We will learn the fundamentals of volleyball, including passing, setting, spiking, as well as how the game is played. We will also compete against each other in games!	God has blessed Sue and her husband Aaron with two beautiful children, and they are in their second year of homeschooling. Sue taught Volleyball last semester, and it was a big hit with her students! She played volleyball all four years in high school, and she is excited about sharing her passion with her students!
